**TO WHOM IT MAY CONCERN**

**RE: Scott Douglass – Rapid I.T. Solutions**

SportsMedNQ Parker & Associates Physiotherapy would like to support Scott Douglass in his future business endeavours.

SportsMedNQ – has three clinics, Bayswater Road, North Shore & Townsville Family Medical Centre. Scott Douglass from Rapid I.T. Solutions has worked with SportsMedNQ for the past 12 months looking after all the I.T. software and hardware at all three locations as well as all the maintenance issues that have arisen in that time.

SportsMedNQ Physiotherapy is very happy with the work performed and response times that Scott has afforded them during this time. Scott is very personable and helpful with ideas and solutions.

We wish Scott all the best and look forward to a long continued working relationship.

Yours sincerely
